

The Connective Intelligence of the Gaian Mycelial Humanetwork

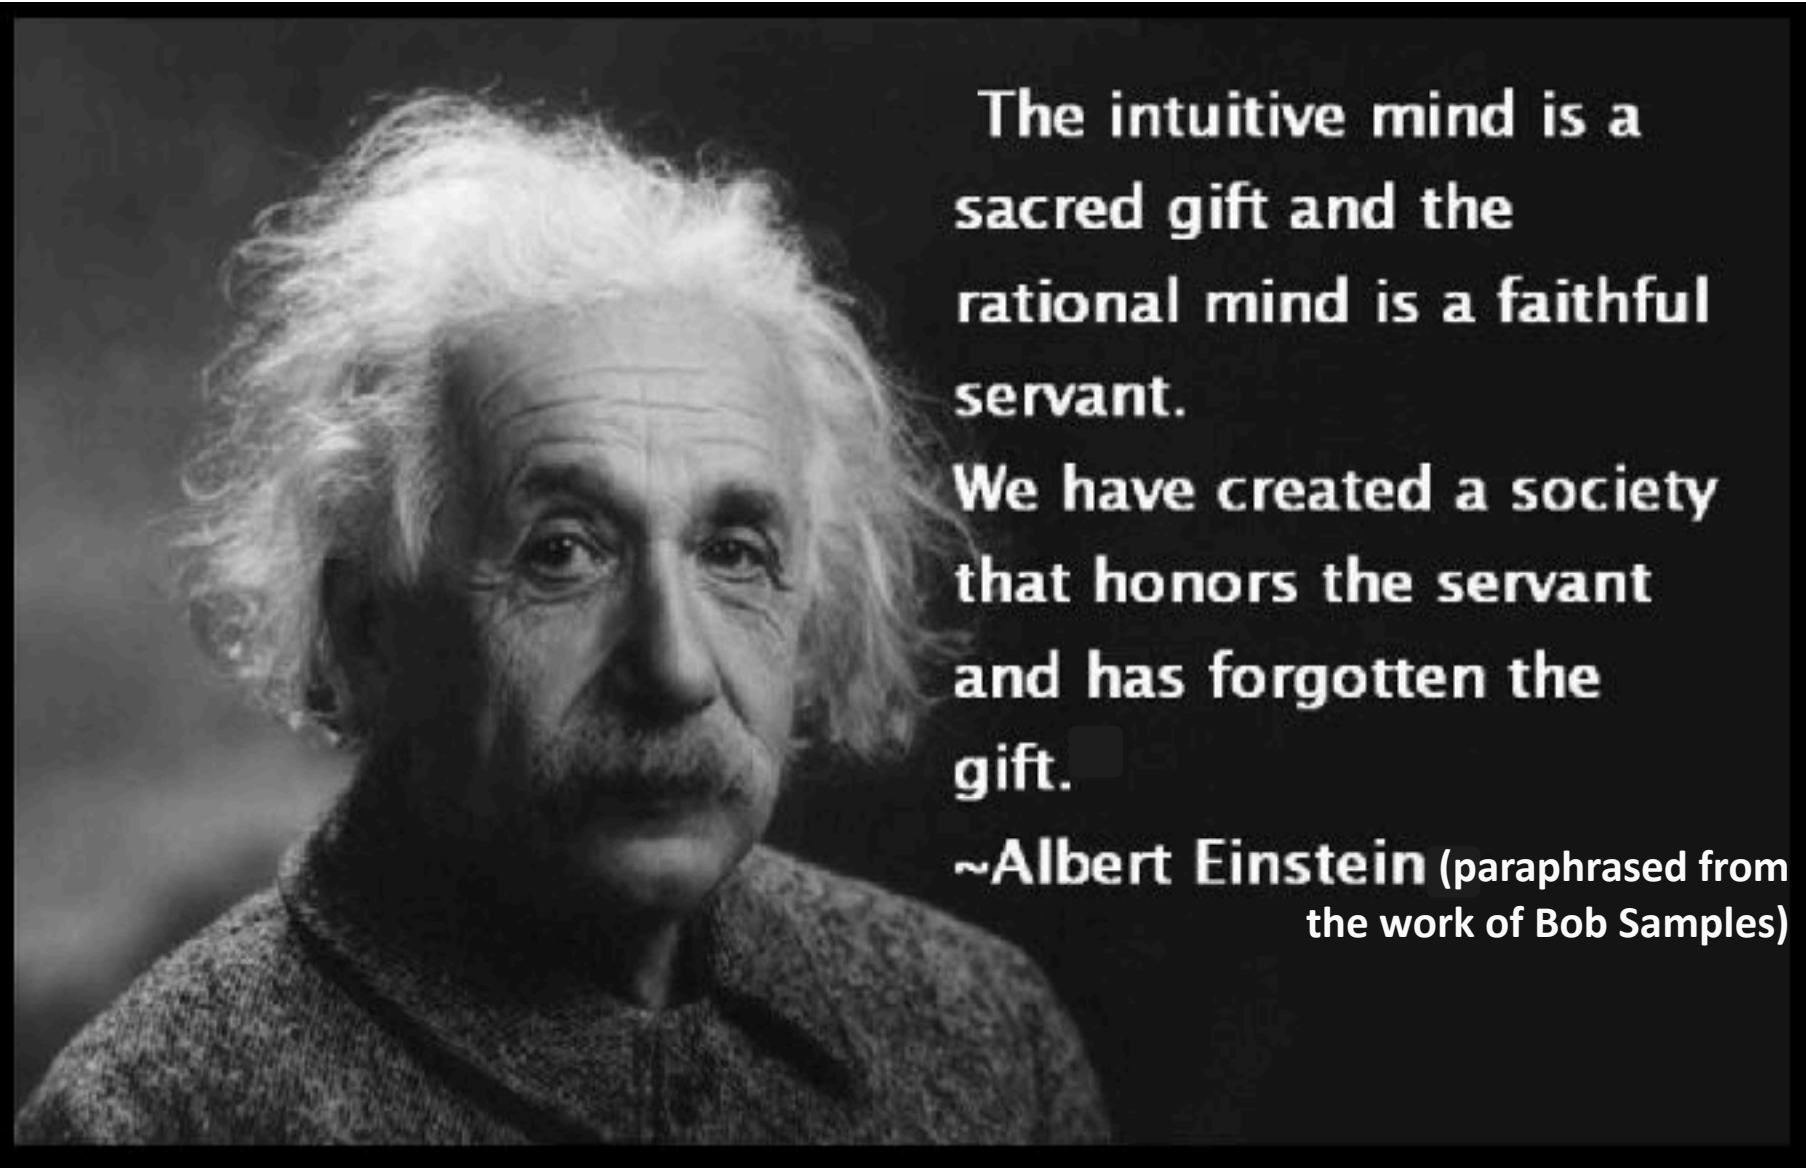

Alexander Laszlo, Ph.D.

in Syntony

<https://alexanderlaszlo.net>

The intuitive mind is a sacred gift and the rational mind is a faithful servant.

We have created a society that honors the servant and has forgotten the gift.

~Albert Einstein (paraphrased from the work of Bob Samples)

Conditioned Thinking

Life in a VUCA, RUPT and BANI World

“Things are getting worse and worse, and better and better, faster and faster.”

~ Tom Atlee

- **Situations and contexts appear –**

- Volatile
- Uncertain
- Complex
- Ambiguous

- **Experiences and encounters appear –**

- Rapid
- Unpredictable
- Paradoxical
- Tangled

- **Life and reality appear –**

- Brittle
- Anxious
- Nonlinear
- Incomprehensible

Sense Making in a VUCA World

- **Stop:** get out of your own way.
 - **Connect:** sense into what is seeking to emerge.
 - **Flow:** align with the pulse of change that is —
 - life affirming
 - future creating
 - opportunity increasing

“I am not a thing – a noun. I seem to be a verb...”

~ R. Buckminster Fuller

*I live on Earth at present,
And I don't know what I am.
I know that I am not a category.
I am not a thing – a noun.
I seem to be a verb,
An evolutionary process –
An integral function of the universe.*

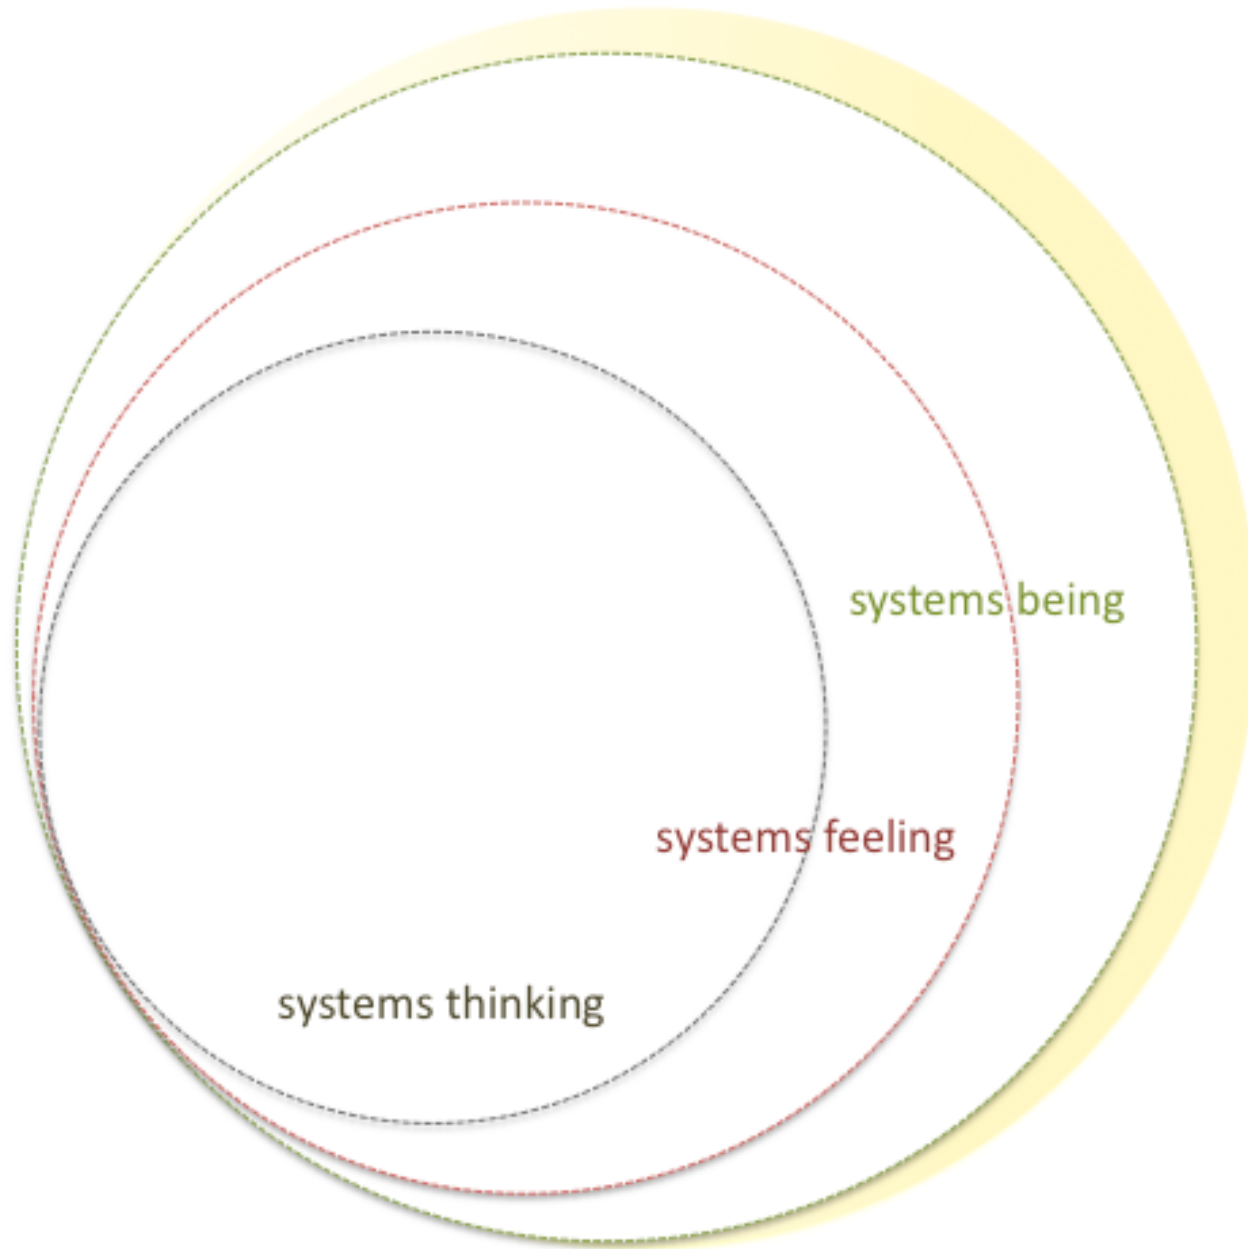

The Space In Between :: Liminal Possibilities

- Interesting things happen where systems connect...
 - that gray zone - twilight, daydream, chrysalis
- **Ecology:** the *Ecotone* - where two ecosystems meet
- **Biology:** the *Holobiont* - a microbiome of interbeings
 - Tapping into the *imaginal domain*
 - without getting lost or trapped in an *imaginary world*
 - Playing in the *holoflux*
 - that liminal space between the Implicate Order and the Explicate Order
- Very VUCA — but in a fun, fertile, flourishing way!

Augmenting our Systemic Sense-ability

Collective Intelligence

Connective Intelligence

Empathetic Intelligence

The Intrabeing of GaiaSelf

- The story of emerging our Gaiaself is one of being danced into a greater delicious *Intrabeing*
 - from Interbeing to Intrabeing
- Allowing the *Whole Creature* to express
 - John Seed, Joanna Macy, Pat Fleming, Arne Næss: we have to learn *to think like a mountain*
- Now we must learn *to think like Gaia - to sense as Gaia*
 - ask: *how can I make myself available to intrabe?*

Five Dimensions of Availability of Our GaiaSelf

Me —
Personal
Balance

Planet —
Environmental
Balance

Society —
Communal
Balance

Cosmos —
Spiritual
Balance

Legacy —
Balance with
Ancestors and
Future Generations

Hope Springs Eternal...

FRODO: *I can't do this, Sam.*

SAM: *I know. It's all wrong. By rights we shouldn't even be here. But we are. It's like in the great stories, Mr. Frodo. The ones that really mattered. Full of darkness and danger they were... Those were the stories that stayed with you. That meant something. Even if you were too small to understand why. But I think, Mr. Frodo, I do understand. I know now. Folk in those stories had lots of chances of turning back only they didn't. Because they were holding on to something.*

FRODO: *What are we holding on to, Sam?*

SAM: *That there's some good in this world, Mr. Frodo. And it's worth fighting for.*

~ The Lord of The Rings, *The Two Towers*, by J.R.R. Tolkien

**Be the eco-systems
you want to see
in the world**
